

REMARKS

This Amendment is being filed in response to the final Office Action dated March 8, 2007, and the Advisory Action mailed on July 16, 2007. All objections and rejections are respectively traversed.

The final Office Action dated March 8, 2007 and the Advisory Action dated July 16, 2007, have been reviewed carefully and the application has been amended in a sincere effort to place it in condition for allowance.

Claims 5, 9, 12, 13, 17 -21 and 32 were indicated as allowable in the Office Action. These claims have been amended to include all of the limitations of the base claim and any intervening claims. The claims have been amended to remove the "less than .1% by weight." It is respectfully submitted that claims 5, 9, 12, 13, 17-21 and 32 are now in condition for allowance. Claims 1-4, 6-8, 10, 11, 14-16, 22-25, 27, 28 and 31 are cancelled herein without prejudice. Claims 26 and Claims 29 and 30 were previously canceled without prejudice in response to a Restriction Requirement.

All of the claims have either been indicated as allowable, or have been cancelled. Thus it is believed that the application is in condition for allowance.

Please do not hesitate to contact the undersigned in order to advance the prosecution of this application in any respect.
